The Maryland Preschool Special Education Parent Involvement Survey

This is a survey for parents of students who received preschool special education services (ages 3 to kindergarten entry) during the 2019-2020 school year. Your responses will help to guide efforts to improve services and results for children, and family involvement. For each statement below, please select one of the following response choices: very strongly agree, strongly agree, agree, disagree, strongly disagree, very strongly disagree. In responding to each statement, think about your experience with the preschool special education process during the 2019-2020 school year. You may skip any item that you feel does not apply to your child.

By completing and returning this survey you are certifying that you are submitting only one paper OR one online survey for each child receiving services.
