MCPS Mental Health Awareness Week November 8–13

Let's end the stigma.

Let's talk about mental health.

Inviting all community members to join us virtually

MCPS and the Montgomery County School Psychologists' Association (MCSPA) will host a free virtual event November 8–13 to give youth and families the opportunity to hear from mental health experts on issues that are important to them. The weeklong expo will feature daily themes, dynamic speakers and breakout sessions, as well as three live events: a Waymaking Special on Student Mental Health, a Careers in Mental Health information session, and ending with a Resource Fair and Q&A session on Saturday, November 13, 2021.
